### LCH SA EquityClear Cash Equity migration to VaR Go live date postponed

17 June 2022

Dear LCH SA Cash Equity Members,

The initial VaR Expected Shortfall margin system go live date scheduled for the 24<sup>th</sup> of June is postponed to either the 8<sup>th</sup> or the 22<sup>nd</sup> of July 2022.

We do apologize for this delay which is driven by:

- Unfinished testing with members  
Therefore, the Portal test period will be extended until 1<sup>st</sup> of July 2022.  
We look forward to receiving your readiness confirmation (if not done already) for proceeding this risk framework change, one of the corner stones of our Cash Equities strategy.
- Delay in Regulatory approval regarding a VaR related set of Legal Instructions changes

If both items are resolved before the 8<sup>th</sup> of July, then migration will take place the 8<sup>th</sup>, if not then it will be on the 22<sup>nd</sup> of July.

In order to ensure a smooth change, please **provide the BDRM EquityClear team with the main point of contact supervising the migration for your firm**. An ad-hoc communication will be provided during the migration.

During the migration (8<sup>th</sup> or 22<sup>nd</sup> July End of Day), the EquityClear IT Support team will be your dedicated point of contact: [SA.EquityClearIT.Support@lch.com](mailto:SA.EquityClearIT.Support@lch.com)

For escalation, you can contact Mounir Jaafari (Head of IT Client Support team for SA EquityClear) at [Mounir.Jaafari@lseg.com](mailto:Mounir.Jaafari@lseg.com) / +33 6 71 86 91 37.

The EquityClear Business Development & Relationship Management team ([SAEquityClear@lch.com](mailto:SAEquityClear@lch.com)) remains at your disposal should you need any further information.

Kind regards,  
LCH SA EquityClear
