

SwapClear IRS Clearing

Growth and expansion benefitting global markets

Leading the way in interest rate swaps clearing for over 20 years

Market leadership and credibility are not built overnight. The OTC derivatives industry has relied on LCH since the late 1990s, and as a result, LCH members and clients can now tap into deep interest rate swap (IRS) liquidity in 27 currencies, across tenors ranging from one month to 51 years.

Deep liquidity across global markets

At LCH SwapClear, you benefit from clearing in all the major global IRS markets, across the curve. So, whether you are looking at the short or long end, developed or emerging currencies, LCH SwapClear supports your clearing needs.

Leading the way in benchmark reform

LCH is supporting the transition to new interest rate benchmarks by building on early liquidity in new indices — including the market’s first SOFR and €STR clearing services. As the markets’ partner, we are also providing leadership in pre-cessation triggers, discounting methodology switches and other key benchmark reform issues.
